

OnePay Payroll Solution

Payroll and Human Resource Solutions that Work

Your Payroll and Human Resource Company

Inflection HR is a flexible full service Payroll and Human Resource Outsourcing (HRO) company combining the best of full service HR management and leading-edge technology.

Our solutions are designed to allow our customers to focus on their business (not the headache of employment related issues like payroll) and make their lives easier.

The OnePay Difference

Inflection HR combined the most requested services by payroll consumers into the simple OnePay Payroll package. OnePay clients enjoy everything from live checks and direct deposit to GL Reporting for your accounting system at no additional costs or fees (Standard Service Components are listed at right).

The OnePay Payroll Solution also includes access to the Inflection HR Workforce Portal, powered by the award-winning UltiPro Workforce Management solution. This valuable benefit provides your company with:

eEmployee Self Service - Employees have immediate security-protected access to view and print their paychecks, make address changes and view important company announcements, employee handbooks, etc.

eManagement Self Service - Authorized managers have immediate self-service access to critical employee information such as key employment dates and salary data.

On Demand Reporting - Authorized portal users can run a multitude of standard reports that can be configured to each user's unique preferences.

Standard Service Components

The following services are included as core elements in the OnePay Payroll solution:

- 1099 and W2 payroll checks
- Payroll Tax Management
