

PEO Solution Overview

Payroll and Human Resource Solutions that Work

Your Payroll and Human Resource Company

Inflection HR is a flexible full service Payroll and Human Resource Outsourcing (HRO) company combining the best of full service HR management and leading-edge technology. Our PEO solution is designed to allow our customers to focus on their business (not the headache of employment related issues like payroll and HR issues) and make their lives easier.

Save Yourself Some Time

Inflection HR's Professional Employer Organization (PEO) model enables you to cost-effectively outsource the management of human resources, employee benefits, payroll and workers' compensation, so you can focus on revenue producing aspects of your business.

We relieve you of the complexities and demands of ongoing HR administration so you have more time to focus towards your core business competencies and increasing your bottom line.

Discover Co-Employment

In the PEO Model, we contractually enter into a co-employment relationship, bringing your employees under our federal tax ID number to more efficiently manage your Human Resources using a single, integrated platform and suite of resources.

Get the Services you Need

Each PEO client receives access to our talented Human Resource, Payroll and Benefits Specialists who help align our PEO services to help you achieve your strategic goals for your business.

A Total Outsourcing Solution

Our PEO Clients enjoy access to a robust menu of services delivered through our professional and friendly staff members intent on becoming your trusted advisors. Following is a brief overview of the services offered in the Inflection HR PEO Solution:

Employee LifeCycle Management - From employee recruitment through termination our PHR Certified Human Resource Specialists will help you develop and implement best practice systems for recruitment, performance management, personnel policies, training, terminations, grievance resolution compliance with federal and state regulations and more.

Payroll Management - Inflection HR's Payroll Specialists will work with you to simplify the time you spend on your payroll process by implementing efficient and compliant data gathering methods (e.g. time and attendance solution) and ensuring that your payrolls are timely and accurate every time.

Benefits Administration - Inflection HR can work with you to develop a new employee benefits package complimented by an Inflection HR group medical, dental, vision, 401(k), and EAP plan, or we can administer your existing benefits package and enhance it with our group solutions.

IHR Workforce Portal - Our PEO solution set is further enhanced by our powerful workforce management portal which delivers employee and manager self service, on demand reporting, and a company intranet to your workforce.
