

Make your Life Easier...

Payroll and Human Resource Solutions that Work

Your Payroll and Human Resource Company

Inflection HR is a flexible full service Payroll and Human Resource Outsourcing (HRO) company combining the best of full service HR management and leading-edge technology. We offer custom tailored solutions from our OnePay™ payroll product to our full service Professional Employer Organization Model (PEO) to suit the needs of every business.

Our Services have been designed to:

- **Save You Time and Money** – You can reduce and control operating expenses while shifting company focus to core operations. This is achieved by outsourcing non-revenue producing administrative functions such as payroll and benefits administration to Inflection HR.
- **Be Your Single Source HRO Solution** – Inflection HR's goal is to provide you with a one stop shopping experience for your organization. We've already developed the relationships with industry leading vendors to deliver you a comprehensive solution for your Payroll and Human Resource needs.
- **Promote Self Service** – Inflection HR's industry leading software solution is designed around the principals of self service and personal data access. Regardless of the solution you choose, your workforce will be empowered with the IHR workforce portal providing eEmployee Self Service, eManagement Self Service, eReporting, eCompany Intranet, and Custom Reporting capabilities.

Solutions for Your Business

Inflection HR offers three distinct service models to fulfill your company's Payroll and Human Resource needs.

OnePay™ Payroll Solution

OnePay™ is a comprehensive payroll service that incorporates the many choices available in most payroll services (e.g. direct deposit, payroll tax management, payroll reporting, online self service, etc) and combines them to create a complete payroll package at a single price point (no additional fees). OnePay™ is the core product in our Business Process Outsourcing (BPO) model that is centered on the principals of flexibility and can be customized to include additional services like benefits and Employee LifeCycle Administration.

PEO Model

Inflection HR's full service Professional Employer Organization (PEO) model enables you to cost-effectively outsource the management of human resources, employee benefits, payroll, and workers' compensation.

ASP Model

Inflection HR's Application Services Process (ASP) Model is a technology-based HR management solution. We provide the Inflection HR workforce portal, powered by the award-winning UltiPro™ software on a per-employee basis and drive its implementation based upon your company's needs.
